WGSJRG

Organization Line

"Thousands of religious leaders of all denominations, newspapers, periodicals, hundreds of trade union leaders, and labor organizations, and tens of thousands of other Americans, representing every section of community life, have asked that the lives of these two young parents be spared."

Exhibit No. 6
 Witness: [REDACTED] on

Communist Party Line

"FORCE FOR the Rosenberg case is moving toward a climax."

"But the moment is filled with danger for the ROSENBERGS and for the American people. The clique which prepared the ROSENBERG frameup is afraid that the truth is marching fast; that the clemency movement will stop the killings and thus enable the doomed couple to vindicate themselves as TOM MOONEY vindicated himself. This clique in high places is prepared to murder the ROSENBERGS in the hope of burying the case for good."

"The tide is growing short. Revive the campaign for clemency!"

Editorial, Daily Worker
 April 6, 1953, p. 5.

"...believe this crusade for clemency can be won as the hours tick by..."

Editorial, The Worker,
 January 11, 1953, p. 1.

Organization Line

"The attempt of Senator JOSEPH R. MC CARTHY, on flimsy evidence which later backfired, to line innocent Americans at Fort Monmouth with espionage reveals that the leaders of reaction will continue to use WHEEL and JULIUS ROSENBERG, though dead, as symbols of American spying."

"So long as the ROSENBERGS remain unvindicated, reactionaries will continue this infamous practice."

"But the wildness of Republican charges against Former President HARRY T. TRUMAN and others automatically builds a great wave of resistance. This wave of public opinion ultimately will demand an end of trial by hysteria. It is bound to demand a complete exposure of fake spy charges and high on the list will be the ROSENBERG case."

"Because HORTON SOBELL, serving an undeserved sentence of 30 years in Alcatraz for supposed spying activities which were never proved, is the living embodiment of the ROSENBERG case, his fate is bound to come into consideration."

"Because of this and because we know that truth will vindicate the ROSENBERGS and free SOBELL we are sending you the enclosed

Communist Party Line

"WELL, ANOTHER 'SPY' fraud of JOSEPH MC CARTHY has been debunked. This time it is the Fort Monmouth fake. Army Secretary STEVENS is compelled to admit that neither MCCARTHY nor any of the army of sleuths has been able to find anything at Fort Monmouth."

"MCCARTHY is not looking for 'spies.' He has a very different target."

"MCCARTHY left Fort Monmouth a shambles--with terrorized families, fired men, bounded children, and sheer hysteria--after three weeks of headline scares which swept the United States. Most of the Monmouth martyrs have been rehired. Some other innocent people have lost their jobs."

"Editorial,
Daily Worker,
November 17, 1953, p.5"

"...Now, many are turning to the astounding case of HORTON SOBELL, sentenced to 30 years in Alcatraz, as one of the defendants in the ROSENBERG case. As with WHEEL and JULIUS ROSENBERG, there never existed a single iota of evidence connecting SOBELL in any way with spying, atomic or otherwise."

Organization Line (Cont.)

Factual information about the SOBELL case.

"These victories will not come automatically. We need all the help you can give. Funds are urgently needed to carry on the fight. Won't you send in a contribution today?"

Communist Party Line (Cont.)

"So fragile was the 'link' cooked up against SOBELL by even the lying government stooges, GREENGLASS, that the death-hungry judge did not dare to doom him to die. But they doomed him to a living death. Now, many ask whether the shipping of SOBELL to the notorious Alcatraz dungeons is not a new effort by the Washington authorities to torment SOBELL into making the sordid deals--'fingering' innocent people for the FBI--as they tried to do with EVEL and JULIUS ROSENBERG.

"Editorial, Daily Worker,
July 1, 1953, p. 2.

"SOBELL, a friend of the ROSENBERGS, has now become the world-wide symbol of the campaign for their vindication. Like the ROSENBERGS, he has resolutely proclaimed his innocence.

"Daily Worker,
July 14, 1953, p. 2

"....the fight to get MORTON SOBELL, innocent victim in this same frameup out of Alcatraz, the fight to get him a new trial must go on....

"Editorial, Daily Worker,
June 29, 1953, p. 5."

Organization Line (Cont.)

"History may recognize the injustice done to them but there can be no compensation for the ROSENBERGS, no future apology will bring their parents to little MICHAEL and ROBERT nor will it wipe out the crushing blow to American traditions of justice and mercy.

"However, there is still time to halt a miscarriage of justice in the case of MORTON SOBELL, who was a co-defendant with ETHEL and JULIUS ROSENBERG. SOBELL, convicted on the word of a man who faced a perjury indictment, was sentenced to thirty years at Alcatraz. He swears he is completely innocent.

"Alcatraz is a place reserved for murderers and hardened criminals. No children are allowed to visit there. This means that SOBELL cannot see his four-year-old son MARK or his daughter SUTHEY, who is 13.

"The many and grave doubts surrounding the entire ROSENBERG case called for a new trial for MORTON SOBELL. He must get the day in court, the full measure of justice that the ROSENBERGS never

Communist Party Line (Cont.)

"The ROSENBERG case is not closed. The fight to vindicate their lives continues in the struggle to free MORTON SOBELL. His freedom will mark a great step in halting fascism, and can be won at this stage in the mounting anti-McCARTHY struggle. There should be no rest for all who remember JULIUS and ETHEL with pride.

"FRED I. DANIELS,
"The Rosenbergs A
Year After," Varses
A Mainstream,
Vol. 7, No. 6,
June, 1952, p. 51.

"ONE YEAR has also seen attempts to use the Rosenberg-Sobell case in attacks on others. Senator MC CARTHY launched his Fort Monmouth investigations with a claim that he would uncover a spy ring traced to the ROSENBERGS and MORTON SOBELL. Army Secretary STEVENS refuted this claim when he said at the Senate hearings that 'there is not evidence now and I found none then for espionage at Monmouth.'

"Thus, one year after the execution of the ROSENBERGS, the Rosenberg-Sobell case is very much alive. The campaign to secure justice for MORTON SOBELL and the drive to remove him from Alcatraz, developments

had. Meanwhile, he should be removed from the inhumane conditions at Alcatraz to another prison where he can see his children while waiting for all of the facts in his case to come to light."

"Daily Worker,

"On Wednesday night, February 17, six people entered the foster home of two orphan children and produced a court order demanding that they be forthwith removed." These people, representing social agencies, flagrantly violated the most basic procedures of child care and simple humanity.

"Why did six adults and a cordon of policemen surround the home of ten and six-year-old brothers? Why was the order for removal made without prior investigation and psychological preparation of the children? Why this departure from the usual procedures--on April 5 GEORGE COLLINS will conduct hearings on guardianship. We are sure

District 4, CP, USA.

[REDACTED] working mostly for peace, the IWO, the Progressive Party, PTA, and the Rosenberg Leaflet Campaign. b7D

Witness advised that [REDACTED]

[REDACTED] the capitalists and war mongers are the ones who are putting the Rosenbergs to death because they hate "us Communists" and "our" protest against the death sentence. [REDACTED] it was the job of the Communist Party to go all-out on the Rosenberg Case as it did in the Willie McGee, Martinsburg Seven, Trenton Six and other cases. [REDACTED] b7D

[REDACTED] the Party will continue to fight for the Rosenbergs and that "we" as Party members must urge people to send telegrams and petitions to President Eisenhower. [REDACTED] Party has friends in the Government and will do everything to get them to use their influence on President Eisenhower. b7D

Witness stated [REDACTED]

CP, District 4, [REDACTED]

b7D

Witness stated [REDACTED] CP, District 4, [REDACTED] District Board accepted criticism for not acting on the Rosenberg Case any sooner than they did. [REDACTED] national office's fault because they did not want it to be publicly known that the Rosenbergs had any Communist connections. When the lawyers could not win the case on its merits, the Party stepped in, but it was too late to win a stay of execution or anything else because the capitalists forces had made up their minds to kill them. [REDACTED] the Communist Party will continue to work with the Rosenberg Committee and will continue to agitate on the innocence of the Rosenbergs and to work on other civil liberty causes. the capitalists and war mongers are the ones who are putting the Rosenbergs to death because they hate "us Communists" and "our" protest against the death sentence. [REDACTED] was the job of the Communist Party to go all-out on the Rosenberg Case as it did in the Willie McGee, Martinsburg Seven, Trenton Six and other cases.

Witness stated [REDACTED] CP, District 4, [REDACTED] the District Board accepted criticism for not acting on the Rosenberg Case any sooner than they did. [REDACTED] national office's fault because they did not want it to be publicly known that the Rosenbergs had any Communist connections. When the lawyers could not win the case on its merits, the Party stepped in, but it was too late to win a stay of execution or anything else because the capitalists forces had made up their minds to kill them. [REDACTED] the Communist Party will continue to work with the Rosenberg Committee and will continue to agitate on the innocence of the Rosenbergs and to work on other civil liberty causes.
